2025/2026
Major: Undeclared

The undecided student has not decided on a major, so this plan will be used to track only liberal education requirements. The major chosen by the student will also determine which degree the student will earn.

Note: students must declare a major by the 2nd semester of the sophomore year.

This program plan is valid only if the student registers for, and completes, a term at Brenau by summer 2026. If the student defers admission to fall 2026 or after, the student must contact the adviser change to the subsequent catalog.

Notes:

Note: *Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.*

Residency requirement:
A residency requirement of 30 semester hours is required to graduate from Brenau University. This includes a major residency of 21 semester hours.

Student's major program plan will contain specific information about cumulative and major GPA requirements. The minimum GPA requirements for graduation are a cumulative GPA of 2.0 and a major GPA of 2.5. The major the student chooses may have higher GPA requirements.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding
The total number of hours on the student's transcript
(available in CampusWEB)
- hours earned for courses taken at the developmental level
+ courses currently registered for
+ courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Note: This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

This program plan was prepared by the Registrar's Office.
