**Note: This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.**

### Required Approvals

Adviser: \_\_\_\_\_

Registrar's Office: \_\_\_\_\_

*Students may not be admitted as a general studies major. The student must submit a Change of Major Form in order to activate this plan. The approved general studies plan must be on file in order for major to change to general studies.*

### Notes:

**Electives:** Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding  
The total number of hours on the student's transcript  
(available in CampusWEB)  
- hours earned for courses taken at the developmental level  
+ courses currently registered for  
+ courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

*Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.*

*This program plan was prepared by the Registrar's Office.
